

CATHOLIC SCHOOLS

ACTION RESEARCH SHOWCASE

ALL INVITED FRIDAY 1 DECEMBER, NATIONAL CONVENTION CENTRE, CANBERRA

An opportunity to learn about the teaching and learning innovations in Catholic school classrooms.

Education leaders share the findings from local Action Research.

School Improvement topics include - Literacy and Numeracy, Wellbeing and STEM

Catholic Education invites everyone to discover the “Collaborating on Student Achievement” and School Improvement initiatives throughout Canberra and Goulburn schools.

KEYNOTE SPEAKERS

Dr Jane Hunter delivers a compelling presentation on High Possibility Classrooms: A solution for building teacher capacity and confidence in STEAM and STEAM in Australian schools.

Tom Brunzell from the Berry Street Institute is not to be missed. His teaching experience in the Bronx, NYC, fostered transformative approaches to student wellbeing, school culture and leadership.

9:30am Start - Concludes 3:30pm

Official Opening – Director Ross Fox. Keynote speakers (live stream). Showcase Presentations
