Early learning centre priority enrolment areas notes

1. Acceptance of a child into a Catholic early learning centre does not confer an automatic entitlement into the primary school at which the centre is located.
2. Students enrolled for preschool in an early learning centre will continue their primary education at a designated school within their priority enrolment area.

Key

^ Corridor School - A corridor school can accept students beyond the school's designated PEA (subject to approval)

* Speciality School - a speciality school offers a unique offering not provided by any other school within the System
